

My class is learning about bird migration  
and conservation.

Ask me what I know!

## I give my word. I'll help our birds!

I, \_\_\_\_\_, promise to share what I've  
learned about birds and to help the birds in my area.

### I will

- educate others about the dangers of bird strikes on large windows
- let pet owners know about the danger that outdoor cats pose for birds—  
and encourage them to keep their cats indoors
- share what I've learned about bird migration and conservation
- take time out to learn about and enjoy the birds in my own backyard
